

## PLUS ONE TUITION WITH ENTRANCE - IIT/AIIMS BATCH

This Programme has been designed for students who have completed their 10th Std board exam. Tuition Plus entrance classes will be taken based on the subjects taken by the students at School (PCM or PCB). The Objective of the IIT/ AIIMS Batch is to provide special training for students and equip them to get admissions to premium institutions like IIT & AIIMS. **With a limited number of students** and expert teachers, the students will have an upper hand while attending the competitive exams. The Classes will be conducted on Sundays and all Holidays. The Course will include extensive coaching on the exam topics to equip the Students to face their Board exam with confidence along with training them for the Competitive Exams.
